

To make it:

1. Cut along the black borders so that it makes a square.
2. Fold the square in half both ways to crease it.
3. Place it with the print side down and fold all four corners in to the middle. The squares with the four colour words should be touching.
4. Turn it over and fold all four corners in again, to make a smaller square. You should have all eight number squares visible.
5. Fold it in half both ways to crease it.
6. Turn it over again and put your fingers under the flaps with the colour words on them.

To play:

1. Choose a colour. Spell out this colour while moving your fingers back and forth to open it in each direction.
2. Choose a number that's visible. Count to that number moving your fingers back and forth again.
2. Choose another number that's visible, then count to that number too.
3. Choose a question and say the answer out loud.
4. Open the flap to reveal your new experience!
